

25 November 2020

Dear Parents and Carers,

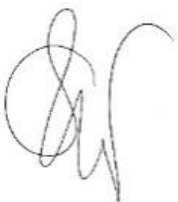

## Reminder: teacher training dates

As we move swiftly through this half-term, there is definitely lots of energy around and the school continues to be managing this current period of lockdown smoothly. We remain persistent in encouraging our students to ensure they are wearing masks around school when in corridors and communal areas and are pleased to see an increasing number continuing to wear them when they leave school and go out into the community. I am grateful to all of you for being so supportive of this and careful in your approach to the situation.

I would like to remind you that we have teacher training days on Friday 27<sup>th</sup> November and Monday 30<sup>th</sup> November. Therefore, the school will not be open to students on either of these days.

This week, Heads of Year will also be writing to parents and carers with specific information relating to your child's year group.

Yours sincerely,

**Cristina Taboada-Naya**  
Headteacher
