

13<sup>th</sup> September 2022

Dear Parents and Carers

Firstly, I would like to congratulate our Year 9 students on how they have settled in immediately to the challenge of working with determination and enthusiasm in their lessons.

As we continue to establish the routines that lead to excellent academic progress, I would like to share with you the following information.

Year 9 students will be taking their baseline assessments on Wednesday 21 September. This data will be used to monitor the academic progress of your child so that we can continue to support them to achieve to the very best of their ability. Your child does not need to prepare for these assessments, but please make sure they are equipped with a black biro, a pencil and a ruler on the day.

We know that working in partnership with our parents to support learning leads to the best outcomes for students. As from 19 September, we will be setting home learning tasks. To help you to support your child to manage their time so that all work is completed on time and to their best of their ability, I have attached the home learning timetable. This can also be found on the school website

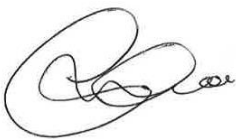

<https://www.nsg.northants.sch.uk/page/?title=Home+Learning+Timetables&pid=185>

All teachers will record and communicate the home learning tasks they set to you and your child through Edulink <https://nsg.edulinkone.com>

The school has produced a tutorial video to explain the use of the Edulink One home learning module, which can be viewed at the following address: <https://bit.ly/3ojBz19>

Wishing you an enjoyable week.

Yours sincerely

Catherine Carré | Deputy Headteacher  
Northampton School for Girls
