

Welcome to Northampton School for Girls

Welcome

We are very excited to welcome you all to Northampton School for Girls in September! We hope you are equally as excited.

If you have any questions throughout this presentation please write them into the 'chat' window and we will endeavour to answer them throughout the presentation, or at the end. No question is too small, we are sure there is a lot you will want to know about our school.

The Role of the Tutor

Your daughter will be **greeted by their tutor each morning** during their daily tutor time. During this time, your daughter can 'check in' with their tutor to make sure they are ready for the school day.

Your daughter's tutor is the main point of contact between parents/carers and the school and should be your initial point of contact.

Similarly, if your daughter is worried about anything they **should speak to their tutor initially**. This is the person that is likely to know them best at the school and, therefore, can offer them the most effective immediate support and advice.

Everyone is here to help

Every member of staff at the school is here to help your daughter during her time with us, in addition to the tutor.

This includes:

- Tutor.
- Attendance and Pastoral Support Officer
- Head of Academic Standards
- Assistant Headteacher
- Student Services
- Student Support Worker
- Mentoring team. (By referral)

If your daughter is feeling unwell, but home remedies or medication would permit them to come to school (for example hayfever we encourage them to attend. If they are worried, nervous or anxious about any part of school life please encourage them to speak to a member of staff so we are able to support them.

Catering facilities

Both **Elm** and **Oak buildings** have separate eateries where hot and cold food is available to be purchased at break and lunchtime.

Our **main canteen area**, “Our Kitchen”, offers a wide range of hot food for students to purchase via the cashless system at lunchtime.

Your first day

Firstly, try to not be nervous. Everyone on their first day is likely to be having a similar feeling. We are all here to guide, support and make sure your first day is as enjoyable as possible.

In the morning you will have an extended tutor time, lasting period 1 and 2, so you can get to know your tutor and your tutor group.

You will also have a welcome assembly in the morning.

After breaktime, you will attend your normal lessons.

Your first day.

On your first day, you will be given your timetable and know the lessons you have. **Keep your timetable safe.**

Throughout the week you will be taken as a class to set up your fingerprint for the 'cashless system' used to purchase meals at school and to have your photograph taken for your identity cards also.

We recommend bringing a packed lunch in the first week, whilst this system is set up. The school will provide lunches for students in receipt of free school meals.

Please do not worry if you get lost. There are plenty of signs throughout the school and everyone, from staff to fellow students, will help you.
