

Home School Agreement

Through strong relationships and a culture of respect, we will nurture and develop each of our students to become independent, confident, academically successful and responsible individuals who will strive to achieve their very best in all aspects of life. Our mission statement is encapsulated in our three 'Respects' which underpins all aspects of school life:

Respect for Self Respect for Others Respect for Learning

These statements are prominent in and around the school and inform every decision we take.

We believe that a positive working relationship between students, parents and carers and Northampton School for Girls is fundamental to the growth and success of every student both academically and personally.
