As the school provides a subsidy for music lessons, I agree that my daughter will join and regularly attend at least one of the following groups to which she will be allocated according to her instrument and grade: Wind Band, Concert Band, String Band, String Orchestra, a Guitar Ensemble, a Vocal Ensemble.

I have read and understood the Music Lesson Document. I will ensure that my home insurance policy covers any instrument whilst in school and during transit to and from school, whether privately owned or on loan.

I agree that I will pay for the full year's cost even if my daughter stops lessons during the year, and I will transfer a non-refundable deposit of £45 via Cheque (payable to NSG) or Cash to secure lessons.
