

Bronze Menu Planning for NSG

Group: _____

Focus on: **WEIGHT** (reduce packaging for weight and volume)

CALORIES (2500-4000 per day)

TASTE (make sure you enjoy it!)

NUTRITION (make sure you have a balanced menu and & not too many high sugar snacks)

QUICK (make sure it's quick to cook – you don't want to wait too long or use all your fuel up)

ORGANISE (pack each meal type or day into waterproof/freezer bags that are labelled, prepare food before you arrive & weigh out what you need)

	Breakfast	Lunch	Dinner	Snacks & drinks	Approx Calories
Day 1	At home				
Day 2			On your way home!		

Ideas for meals
